Uptown Theatre Membership Policies

1. Advance ticket purchases, drink coupons, poster vouchers and VIP passes are valid only for performances presented by Uptown Theatre and may not be available for co-promotion performances or rental events.
2. **Resale of tickets, vouchers or passes for profit is strictly prohibited** and will result in immediate cancellation of membership privileges without refund.
3. Tickets purchased directly through Ticketmaster will be available only as “WILL CALL” pick up option. No tickets will be available with the “E-Ticket” or “Mail To” options. At Will Call, name will be matched to current membership name. This is our effort to minimize scalpers who otherwise purchase all the great seats!
4. New memberships are processed and become valid for membership privileges five (5) – ten (10) business days after application is submitted.
5. Once your application has been processed, your email address will immediately be included to receive any current password(s) and your membership confirmation letter will be mailed to you.
6. Advance notification of upcoming performances and the member password, required to purchase tickets for the reserved events, will be provided via email notification. Tickets may be purchased via phone or on line through Ticketmaster. Tickets may be purchased only in person at our Box Office.
7. **If you are seeking membership immediately prior to a member pre-sale event, please visit or call the Box Office in person, Monday – Saturday, Noon to 4 pm**
